EXPERIENCE

 $\begin{array}{c|cccc} \text{from January 2021} & \text{Sentrium SL} \\ & \text{to present} & \text{Software Engineer (Full-Time)} \end{array}$

- Developed networking and user-interface code on enterprise router operating system VyOS.
- Worked on infrastructure and tooling for maintenance and deployment of the product.
- Continued previous work on documentation.

 $\begin{array}{c|cccc} \text{from August 2020} & \text{Sentrium SL} \\ \text{to January 2021} & \text{Chief Documentation Editor (Part-Time)} \end{array}$

- Managed a team of technical copywriters.
- Authored product datasheets, in-house and customer-facing documentation, and public announcements.
- Proofread, edited and corrected existing technical documents.

from September 2017 | Sekom Yazılım AŞ to October 2018 | DevOps Engineer (Part-Time)

- Set up data collection pipelines for applications on IoT and cloud infrastructures.
- Deployed monitoring and metric collection services across the company infrastructure.
- Written documentation for the in-company CI process and software developed in-house.
- Installed on-premise servers and virtualised them with a native hypervisor.

August 2017 | Sekom Yazılım AŞ Summer Intern

- Containerised and redeployed existing installations, created remote configuration scripts for them.
- Automated deployment of containers with continuous integration tools.

EDUCATION

AUTUMN 2019	Bachelor of Engineering in Yeditepe University, Istanbul
	Field: Computer Engineering
	Language of instruction: English
	Thesis: Symbolic Makam Music Generation with Deep Learning
	Thesis advisor: Assist Prof Dr Dionysis Goularas
Autumn 2016	Erasmus+ Programme exchange term at CZECH TECHNICAL UNIVERSITY, Prague
	Field: Information Technology

SKILLS

DEVELOPMENT

My skillset focuses on functional programming in dynamically typed languages with strong metaprogramming capabilities and expands into versatile, general-purpose languages across the spectrum.

ADVANCED | Python, Clojure, Racket/Scheme INTERMEDIATE | Ruby, Java, C, Common Lisp ELEMENTARY | Elixir, OCaml, Haskell, C++, Lua

Tools

I have long-time experience in Linux system administration, having used Linux exclusively since 2009. In addition, I am experienced in version control, file management, monitoring, virtualisation, continuous integration, containerisation, various DevOps technologies, documentation writing, as well as Agile work methods.

ADVANCED | Linux userland, Git, Docker (Compose, Swarm), Unix shell, Emacs Intermediate | SELinux, Ansible, Jenkins, IATEX | Kubernetes, Atlassian stack, Prometheus, ElasticSearch

LANGUAGES

ENGLISH TURKISH JAPANESE GERMAN Proficient Native Intermediate Elementary

CERTIFICATIONS

- Alcatel-Lucent Telecommunication Networks Knowledge Junior Certification (2013)
- TOEFL iBT: 102/120 (2012)
